

# ISC ANNUAL CENSUS 2018

The ISC annual Census was carried out in January 2018. All 1,326 schools in UK membership of the constituent associations completed the survey. The Census covers 529,164 pupils and provides a detailed snapshot of the schools and of the wider social and economic trends in the UK.

## Pupils 529,164

Pupil numbers have now exceeded the previous pre-recession high and stand at their highest level since records began in 1974.

## New Pupils 106,688

New pupils at ISC schools. Over a quarter of new pupils to ISC schools joined from the state-funded sector.

## Academic Selection 668

Half of all ISC schools are not academically selective. A further 276 schools have academic selection only for some age ranges.

## School Size 350

The majority of ISC schools have fewer than 350 pupils. The typical size is just under 200 pupils.

## Means-tested Assistance £398m

Provided in means-tested fee assistance for pupils at ISC schools. Nearly half of all pupils on means-tested bursaries have more than half of their fees remitted.

## Partnerships 1,137
