

# THE ECONOMIC IMPACT OF THE ISC'S 1,317 SCHOOLS

## CONTRIBUTION TO GDP, EMPLOYMENT AND NATIONAL TAX REVENUES

**£11.6** BILLION

GVA contribution to UK GDP, which is greater than the £11.1 billion contribution of the UK's largest defence, aerospace and security company, BAE Systems. The contribution of non-British pupils is **£1.8 billion**.

**£3.5** BILLION

annual tax revenues, equivalent to **£129** per UK household...

**257,020** JOBS

which is similar to the total number of jobs across Liverpool.

...which is sufficient to fund the annual pay of

**108,000**

nurses.

## SAVINGS TO THE TAXPAYER

**£3.0** BILLION

annual savings to the taxpayer, enough to build **20,000** new affordable homes.

## ADDITIONAL VALUE OF HIGH EDUCATIONAL PERFORMANCE

If ISC schools had not existed during the past 70 years, UK GDP could now be around

**£62** BILLION

per annum lower.
