

Year 11 Exam Results 2018 Summary

Following the publication of the Year 11 exam results, data was collected from **563** Independent Schools Council schools covering a total of **38,629** candidates. These results include updates following Reviews of Results (RoR) submitted by schools to ISC by 11th October 2018. Visit <http://www.isc.co.uk/research> for more details.

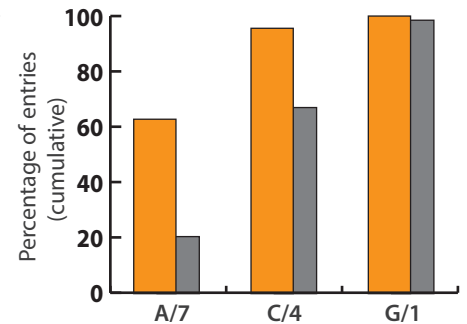

Over 60% of entries awarded A*/A or 9/8/7 - three times the national average

This year's GCSE and IGCSE results from ISC schools show that **62.7%** of entries were awarded either an A*, A, 9, 8, or 7 grade (nationally **20.5%**)¹.

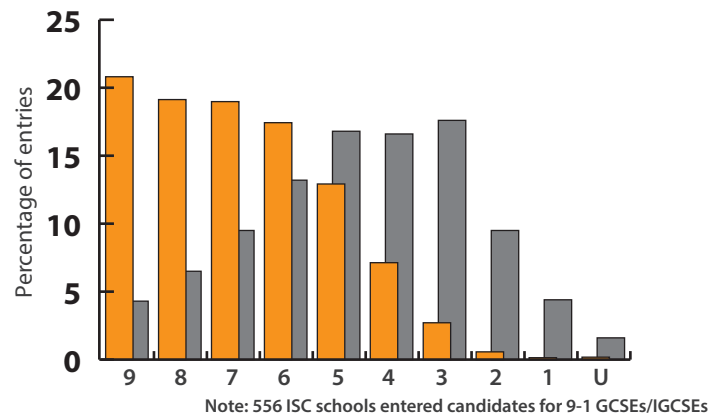

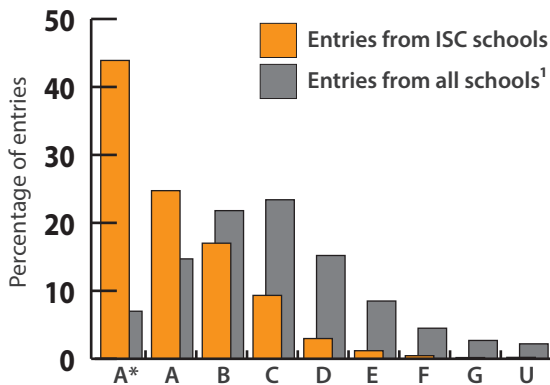

Candidates took on average **9.5** entries, and achieved an average points total of **64.5**, which corresponds to **one A* grade and eight A grades**. The average entry result was **6.8**, which is closer to an A than a B.

The chart on the right shows our schools' overall performance using the common grade boundaries of A and 7, C and 4, and G and 1.

The charts below show the detailed breakdown for A*-G and 9-1 GCSEs and IGCSEs.

Note: 556 ISC schools entered candidates for 9-1 GCSEs/IGCSEs

Nearly half of all entries were IGCSEs

ISC schools reported the results for **168,978** IGCSEs and **196,135** GCSEs. IGCSEs therefore account for **46.3%** of Year 11 entries.

Pupils typically take a mixture of GCSE and IGCSE subjects and in 2018, the vast majority of pupils (**83.6%**) obtained at least one IGCSE result.
